*By far the best Lifestyle site on the web!!! I've been a member almost from the beginning and it just keeps getting better. Awesome place to meet like minded people, very friendly and laidback!!! Come join us!!! - MISBEHAVEN4U*

*Having tried 8 different sites, we can say that Swing Zone Central is by far the best site we have found. Not only is the site easy to use, but the webmaster is constantly making improvements, and is always quick to deal with user issues. We found that there are more real friendly people, that are actually wanting to meet others, than on any other site we've tried. SZC definitely gets 2 thumbs up in our book. - MONTICELLOHORNY*

*We have used just about every swinger site on the net and have to say that Swingerzonecentral is by far our favorite...it is our "home" site. The site owners are interested in us, the members...and are constantly improving so we can have a better experience. Get into the Zone...you will be glad you did. - DOCRIES*
